

# FINZ IN THE COMMUNITY!

FINZ was a very busy *SHARK* this weekend. On Friday the 20<sup>th</sup> he attended the **Bank of America Championship** at Nashawtuc Country Club in Concord, Massachusetts!

FINZ enjoyed *FISHING* around for some of the great golfers that participated, like Gary Player, Jay Haas, Loren Roberts, Curtis Strange, Craig Stadler, Tom Kite and Dana Quigley, as well as rookies John Cook, Jeff Sluman, who won the tournament, Fulton Allem and Wayne Grady.

While FINZ was busy *SWIMMING* around by the food and activities, he and the thousands of other people that attended this golf tournament had a wonderful day with great weather!

Another event FINZ attended this weekend was on Sunday, June 22<sup>nd</sup> when he made an appearance at the very popular **BLOCKFIVE 5K** in Worcester. The event was held at Institute Park in Worcester.

The proceeds from this even went to the Pancreatic Cancer Alliance at UMass Memorial. This was their 2<sup>nd</sup> Annual **BLOCKFIVE 5K** and it was another great success.

FINZ and the members of the Worcester Sharks staff Abbey Thelin and Lindsey Marranca had a *FINTASTIC* time participating in the 5K with the other participants. All three finished this walk/run to show their support to benefit the Pancreatic Cancer Alliance. But FINZ did not participate by walking or running, he did the ENTIRE race on rollerblades!

The friends and families that participated and attended this event this year had an incredible time which was rewarding for everyone. There were about 300 people who attended and or participated! And even if you did not participate in the 5K everyone was busy enjoying the food, entertainment and other activities and attended just to show their support for such an important cause.
