

FINZ Races for Charity

FINZ Races for Charity

The Worcester Firefighters Memorial 6K at Institute Park was held this weekend, on Sunday, June 8, 2008. FINZ made an appearance from 1-2 p.m. to show his support for the Worcester Firefighters and the other charities that were selected. FINZ began on rollerblades and ended on foot, anything to show his support.

This year's proceeds went to the selected non-profit charities: Molly Bish Foundation, Connecticut Burn Foundation, Alzheimer's Association - Massachusetts Chapter and *The Firefighter's Memorial Fund*.

The Sharks Booster Club was also at the Memorial 6K Run/Walk, they helped out with the event and enjoyed a great time with everyone else who attended. And even though the weather was hot, about a thousand people attended the event to show their support. The heat did not distract anyone from the great BBQ, the fun of the games, the wonderful live entertainment, the sports auction or the reason why everyone was there: to race for charity.
