

Shoots and Scores!

FINZ and the Worcester Sharks had another very active couple of days! FINZ played lacrosse and refereed at the Sharks Street Brigade. Everyone had a *FINTASTIC* time at the Wednesday July 9, 2008 Street Brigade where FINZ and the Worcester Sharks met up at the Fitchburg Boys & Girls Club to show off their hockey knowledge.

The Sharks Street Brigade is a great way for children to meet new people, make new friends and to learn about a great way to stay active, *HOCKEY!* Everyone had a great time, and left excited about the awesome sport.

Everyone's favorite mascot, FINZ, attended the *BOSTON CANNONS MASCOT GAME* on Saturday July 12, 2008! Mascots from all over the area showed up to play a lacrosse game for all of their fans.

Along with all of the mascots that attended, there were plenty of fans there to enjoy the game, the weather and to just have a great time with friends and family. The annual Mascot Game was hosted by the Boston Cannons, and FINZ was the only mascot on his team to score a goal! **GO FINZ!** It seems that FINZ is not only a great hockey player, but a great lacrosse player too!
